

Greetings from the International Association for Orthodontics (IAO) & IMC:

The IAO will host the 2024 Annual Meeting in Sitges, Spain, April 24-28. This is the first time the association has held a meeting outside of the US. The IAO is very excited about this new adventure.

Over the past two years the IAO and IMC has developed a strong partnership. In fact, one of the IMC's Professors, Dr. Moritz Kanemeier will be providing a provocative lecture on Artificial Intelligence at the meeting in Spain. As such, the IAO would like to provide a special invitation to all IMC current and past students interested in attending the 2024 Annual Meeting. This special includes a \$300.00 discount on the Annual Meeting Registration fee. The IAO hopes this will offer even more value from your IMC education.

All attendees will have access to over fifty hours of CE. The IAO understands that each individual is in a different stage of their orthodontic journey. As such, courses are provided for all levels of experience. For those just starting out or who need a solid refresher, there is a three-day intensive intro to ortho course. There are also focused lectures for those who want a more in-depth learning experience on Airway, Clear Aligners, and Myofunctional Techniques. For the more advanced practitioners, do not miss out on the cutting-edge Artificial Intelligence and Biomechanical courses. Finally, Dr. Luis Carrier, the inventor of the Carrier Motion Appliance, will provide the Key Note lecture on Thursday, April 25, 2024. This meeting has it all.

The 2024 Annual Meeting will be held at the magnificent Euro Stars Sitges. The IAO has contracted a room block with this beautiful venue. You are welcome to take advantage of the significant savings. Type the following link into a URL to access https://www.eurostarshotels.co.uk/eurostars-sitges/mice.html?s=IAO2024&promotion_code=IAO2024.
